

Achieve Superior Returns with Traditional Security!

- **Stable Long-Term Growth:** Invest in PWMIC shares that have historically outpaced traditional asset classes.
- **Diversified Investment Opportunities:** Gain exposure to a wide portfolio of residential and commercial mortgages.
- **Competitive Yield:** Projected annual yield of 8.00% to 9.00%, outperforming other investment options.
- **Tax Benefits:** PWMIC shares are eligible for RRSP and TFSA, offering significant tax advantages.
- **Managed by Experts:** Our team of Accredited Mortgage Professionals ensures optimal portfolio management.
- **Ethics and Integrity:** Pioneer West is a member of the Better Business Bureau and adheres to Mortgage Professionals Canada's Code of Ethics.

Why Choose Pioneer West?

- Proven Financial Performance: Average return of 7.89% over 19 years.
- Strong Track Record: Consistently high returns even in turbulent economic times.
- Convenient and Secure: Pooled funds reduce risk and save time, with quarterly dividends and flexible redemption.

This graph shows the end-of-year dollar value of \$100,000 invested on January 1, 2006, in PWMIC shares, the DJIA, the TSE, and the S&P 500, based on their individual yields each year with compounding effects. PWMIC shares provide a stable, long-term growth rate that outpaces the markets.
